## VOLUNTEER SERVICES

# Become a volunteer.

Share your talents, make new friends, and develop new interests as a Bethany Village volunteer. Giving your time can lead to the satisfaction that comes from helping others!

If you would like to become a volunteer at Bethany Village, call the Volunteer Coordinator to set up an appointment to determine your specific talents and/or interest, time commitment and available opportunities.

Bethany Village volunteers represent all walks of life in our community, including youth, adults, and many residents of the Bethany Village Community. Each volunteer has a common mission: **to make residents lives more comfortable and fulfilling.**

Following the meeting you will complete an application, attend an orientation, receive a mutually agreed upon opportunity, and you're on your way. Bethany Village associates will provide you with training. **We look forward to hearing from you.**
