**Here are our
Top 10**

1 MORE CONFIDENCE

Wouldn't it be great to wake every day comfortable and confident that you've planned for all eventualities? By living at a continuing care retirement community like Asbury, you have access to a continuum of support and health services, if ever needed, all on one campus. Now that's a great feeling.

2 MORE BEAUTY

Stepping onto our picturesque, 134-acre campus is like stepping onto the lush grounds of an Ivy League college. Classic brick architecture is set amid sweeping meadows, ponds, an Arboretum and a wildlife preserve certified by the Wildlife Habitat Council, which is home to deer, foxes, squirrels, migratory birds and waterfowl.

3 MORE ACCESSIBILITY

When you're just minutes from the nation's capital, the culture and energy of the city become an extension of the community. You're just a short drive or train ride away to shopping, dining and entertainment in D.C. Plus, our campus is surrounded by restaurants, shopping centers, medical services, grocery stores and much more.

4 MORE OPPORTUNITY

You're curious. Ready to quench your thirst for knowledge and new experiences. Fortunately, Asbury is a fountain of opportunity to engage, entertain and energize with:

- The resident-run Keese School of Continuing Education and Johns Hopkins University's Osher Institute of Lifelong Learning
- Strathmore Society at Asbury events on campus and discounts to all Strathmore events
- Asbury works with the surrounding community, local schools and organizations to offer hundreds of ways to volunteer your time and share your talents on campus and off

5 MORE WELCOME

While our heritage is rooted in the Methodist Church, we are a community that welcomes diverse individuals of all backgrounds and faith traditions. We're SAGECare certified and sensitive to the needs of LGBT seniors. We're proud that our neighbors are open-minded, forward-thinking and show compassion because that makes the whole community richer in the process.

6 MORE PEACE OF MIND

Gain the security of knowing that you have a plan in place for whatever comes your way. You can count on priority access to quality assisted living and memory care if needed at a discounted rate, plus rehabilitative and nursing services – all conveniently located on campus. Plus, you gain care navigation and immediate support if a crisis were to occur. Home care is available to help you continue aging in your home safely and independently.

7 MORE SURPRISE

Through the day, you'll be amazed at all the things that will make you smile: from an early morning yoga workout to a lifelong learning class in the afternoon to a lively evening of cocktails and conversation at the Blue Note Bar and Bistro. And there's always a friend around every corner – and maybe one or two you've not yet met.

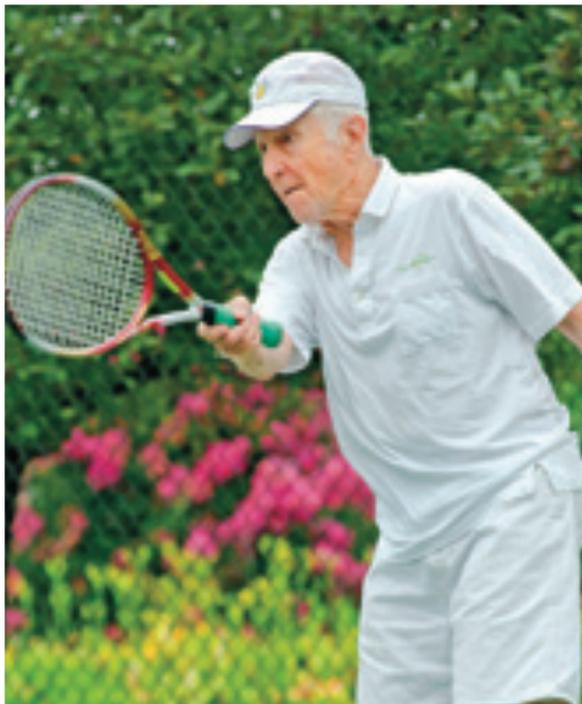

8 MORE COMMITMENT

Asbury Methodist Village is CARF accredited, a designation held by less than 20% of CCRCs nationwide. This designation means that an independent evaluation team has found Asbury Methodist Village to be in compliance with more than 1,100 measures of quality, including financial standards. We also proudly hold EAGLE accreditation from the United Methodist Association of Health & Welfare Ministries, which focuses on our commitment to mission. And as a Mission-driven, not-for-profit organization, Asbury provides access to benevolent care for all residents who outlive their resources through no fault of their own.

9 MORE CHOICES

Tastes and budgets may differ, but one thing is consistent, Asbury offers living options that are warm, inviting and a place you're proud to call home. With eight different residential living neighborhoods and more than 50 floor plans, you'll find one that's just right for you. We're continually improving and updating our campus to meet the ever-evolving needs of today's active seniors.

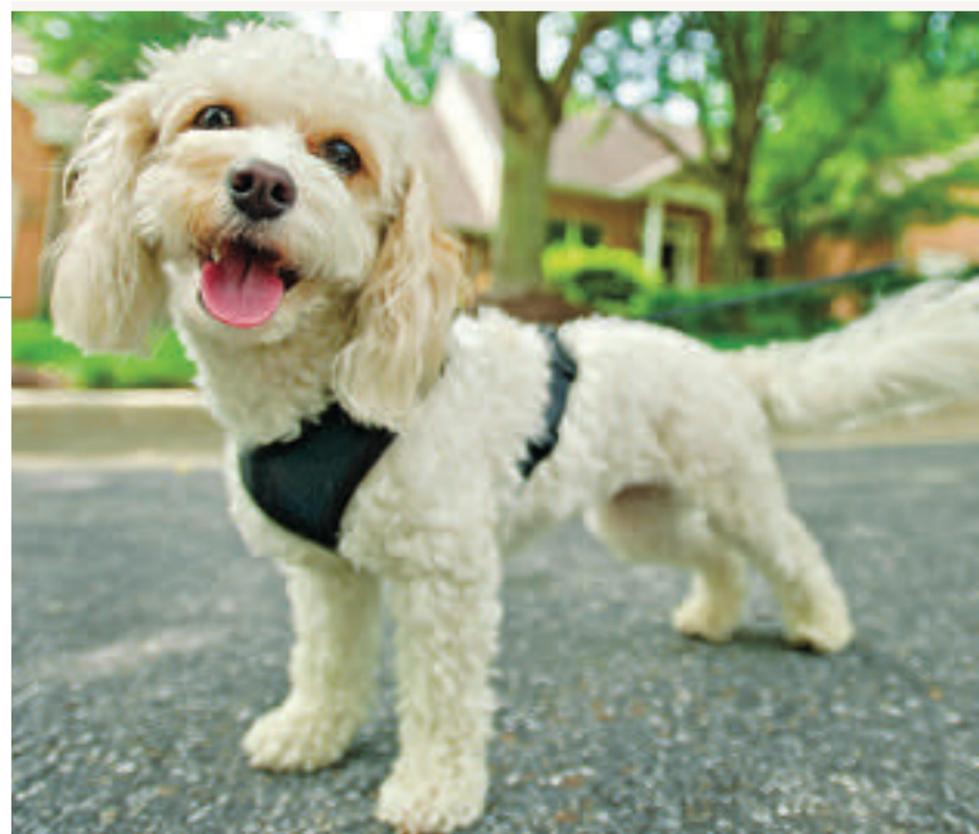

10 MORE WELLNESS

Staying fit and healthy not only benefits your body but also your soul and your mind. Asbury takes a well-rounded approach to wellness with a pool and fitness center, miles of walking paths, exercise classes and more, plus lifelong learning and spiritual opportunities to help you live your best life.

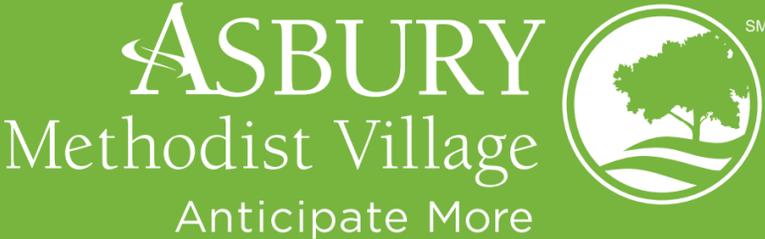

AND ONE MORE . . .

Your furry friends are always welcome at Asbury too. We even have an on-campus dog park. PAWS Park is a one-quarter acre fenced-in area for fun, exercise and making new friends!
