- Have the following information handy:
 - Social Security Numbers for you and your eligible dependents
 - Dates of Birth for you and your eligible dependents

Want to take a quick tour to learn how you can use UltiPro to review, elect, and submit your benefit choices?
Visit <http://bit.ly/UltiProQuickTour-LifeEvents>.

When you're ready to enroll:

1. Visit <https://e13.ultipro.com/login.aspx>.
2. Once logged in, click on the Menu button in the upper left, hover over the "Myself" tab, and navigate to "Open Enrollment."
3. For new hires, select "Open Enrollment 2020."
4. The system will prompt you to add your dependents and beneficiary information, and will then walk you through the steps to enroll in each benefit.
5. Once you are finished with your elections, the last page will show a summary of the changes you are about to make. Please verify your changes carefully and review any outstanding actions or errors. You must take care of these action items prior to submitting your final elections. When you are satisfied with your changes, please print a copy of this page for your records and click the Submit button to submit your elections.

The benefits Plan Year runs August 1, 2020 through December 31, 2021. This will be a passive open enrollment. If you do not make any changes, your coverage will continue with the plans you are currently enrolled in. If you do not make any desired changes during July 1 - July 15 2020, you will not be able to make changes to your elections during the plan year, unless you are a new hire, or you or one of your dependents experience a qualified change-in-status event. See page 5 of the 2020 Guide to your Benefits for details regarding change-in-status events.

Are you a new associate?

If you are a new associate eligible to receive benefits, you must go online and enroll within 30 days from your date of hire. If you do not complete your enrollment within this time frame, you will not have benefit coverage and will not be able to enroll until the next Benefits Open Enrollment period, unless you have a qualified change-in-status event.

BENEFITS ELIGIBILITY

Employees

Associates whose work status is at least 60 hours per pay period (excluding seasonal, interns, and temporary workers) are eligible for benefits. Benefits for newly hired associates are effective on the first of the month following or coincident with 30 days of employment.

Eligible Dependents

CHANGE-IN-STATUS EVENTS

Life is constantly changing. Sometimes these changes mean you may need to make updates to your current benefit elections. When one of these qualified change-in-status events happen, you can make certain changes to your benefit elections without waiting for the next annual Benefits Open Enrollment.

You must be employed for at least 30 days and you must notify your Human Resources Department within 30 days of the change-in-status event in order to make a change to your benefit elections. Documentation supporting the change will be required.

Benefit changes must be consistent with your change-in-status event. Some examples of change-in-status events are highlighted below:

Marriage or divorce

Birth, adoption, or death

Change in employment, or employment status for you, your spouse, or your dependent child

Eligibility for, or loss of other coverage, due to spouse's Benefits Open Enrollment period, or a loss or gain of benefit eligibility

Documentation is required to make changes.

For documentation to be valid, it must be a copy of an official document and include the impacted member's name and the date of the event.

Some examples of documentation are listed below:

Event	Documentation required
Marriage	Marriage certificate
Divorce	Divorce decree
Spouse starting or ending employment	Letter from spouse's employer
Spouse losing other coverage	Letter from spouse's employer
Birth or adoption of a child	Birth certificate or adoption certificate
Death of a spouse or child	Death certificate
Court order requiring you to cover a child	Court order

The benefits plan year runs from August 1, 2020 through December 31, 2021. This will be a passive open enrollment. If you do not make any changes, your coverage will continue with the plans you are currently enrolled in. If you do not make any desired changes during July 1 - July 15 2020, you will not be able to make changes to your elections during the plan year, unless you or one of your dependents experience a change-in-status event. If you do not experience a qualified change-in-status event, the elections you make will remain in effect through December 31, 2021.

WORKING ON WELLNESS PROGRAM

Asbury's mission involves a strong commitment to doing all the good we can by enabling personal fulfillment and enriching the lives of those we serve and associates. As part of that mission, we encourage residents and associates to live a healthy lifestyle. The WOW! Working on Wellness program is a wellness and healthy living program designed For associates that provides fitness activities, health risk evaluation, and healthy lifestyle coaching.

Earn a total of 175 incentive points by completing a Biometric Screening (50 points), Personal Health Profile (50 points), and earning 75 additional points in the Wellness program.

Current benefits-eligible associates that are paying lower medical plan payroll deductions for the 2019 plan year, will continue to be eligible for lower medical plan payroll deductions for the 2020 short plan year. Benefit-eligible associates that are currently ineligible for lower medical plan payroll deductions, will remain ineligible for the 2020 short plan year.

To earn your wellness incentive for the 2021 plan year, you (and your spouse, if you elected employee + spouse or family coverage) will need to complete the steps below by December 1, 2020, for a total of 175 points. For those Associates not covered by an Asbury medical plan, you are eligible to earn a \$100 wellness incentive if you complete all the steps in the wellness program.

1. BIOMETRIC SCREENING (50 POINTS)

Complete a Biometric Screening (50 points) by using a Physician Form. This form can be taken to your doctor during a routine visit. Your doctor will complete the bottom portion of the form and send it to Health Advocate. The form can be located on ShareLink in the documents section.

2. PERSONAL HEALTH PROFILE (PHP) (50 POINTS)

Associates (and your spouse if you elected employee + spouse or family coverage) complete the PHP, which is a series of questions designed to help identify your potential health risks. To complete your PHP, log on to the secure website hosted by Health Advocate at www.HealthAdvocate.com/asburycommunitiesinc.

- **New Hires:** If you were hired after August 1, 2020, you are considered a new hire and will only need to complete a PHP within 30 days of your date of hire in order to receive the incentive for 2020.

3. EARN AN ADDITIONAL 75 POINTS

In addition to your Biometric Screening and PHP, you will also need to earn an additional 75 points by completing items of your choosing: Healthy Challenges, Workshops, Healthy Trackers, Wellness Coaching, and more. You can also earn points for completing Preventive Care exams if you are covered by an Asbury medical plan. Please note that these exams can take up to three months to process, so it is recommended you have your exams early in order to get your incentive paid out in time.

Staying on top of your health can be challenging.

MEDICAL & PRESCRIPTION DRUGS

Your medical plan for 2020 is administered by CareFirst BlueCross BlueShield (BCBS) and includes prescription drug coverage. The plan does not require you to select a Primary Care Physician (PCP), and you do not need a referral to see a Specialist. To locate a participating, in-network provider, visit www.carefirst.com/doctor.

- **HSA-QUALIFIED PLAN:** The HSA-qualified plan features the highest deductible of the three plans, but the premium rates per pay are the least costly. This is an HSA-qualified plan, which means you are eligible to open a Health Savings Account (HSA) that allows you to contribute money pre-tax to pay for eligible health care expenses. Asbury also contributes to the HSA for you! After you meet your deductible, in-network, the plan pays 90% for most covered services, and you pay 10%. If you are enrolled with dependents, the entire family deductible must be met before the plan will pay for covered services. This can be met by one individual or a combination of all family members.

Preventive care services are covered in full if you visit an in-network provider.

Note: The amount the plan pays for covered services is based on the Allowed Benefit. The Allowed Benefit is generally the contracted rates or fee schedules that Preferred Providers have agreed to accept as payment for covered services. Out-of-network coinsurances are based on a percentage of the Allowed Benefit. When services are rendered by out-of-network providers, charges in excess of the Allowed Benefit are the member's responsibility. Some services require pre-certification. The medical carrier will not pay for these services unless approval is received. Examples include: hospitalization, surgery, home health care, hospice care, private duty nursing, and therapy services. In order to obtain pre-certification, your doctor should contact BlueCross BlueShield at 1-866-773-2884.

Summary of Benefits and Coverage (SBC)

Choosing a health coverage option is an important decision. To help you make an informed choice, a Summary of Benefits and Coverage (SBC), which summarizes important benefit information in a standard format, is available for each medical plan option.

- The SBCs are located on the Associate Resources webpage at www.asbury.org/associate-resources, or on the Associate app in the Open Enrollment section.
- A paper copy is also available by contacting the Human Resources Department.

WHERE TO GO FOR CARE

Choosing the right setting for care is key to getting the best treatment with the lowest out-of-pocket costs.

Knowing where to go when you need medical care is key to getting the best treatment with the lowest out-of-pocket costs. Except for emergencies, your first call should be to your primary care provider.

- **PRIMARY CARE PROVIDER (PCP):** Establishing a relationship with your PCP is important. Your PCP may be able to provide advice over the phone or fit you in for a visit right away.
- **FIRSTHELP — FREE 24-HOUR NURSE ADVICE LINE:** Call **1-800-535-9700** anytime to speak with a registered nurse. Nurses can provide you with medical advice and recommend the most appropriate care.
- **CAREFIRST VIDEO VISIT:** See a doctor 24/7 without an appointment! You can consult with a board-certified doctor whenever you want on your smartphone, tablet, or computer. When you don't feel well, or your child is sick, the last thing you want to do is leave the comfort of home to sit in a waiting room. Video Visit is perfect when your primary care provider (PCP) isn't available. The cost for a video visit is the same as a visit to your PCP, and will never exceed \$49. Most visits take about 10-15 minutes and doctors can write a prescription, if needed, that you can pick up at your local pharmacy. Get started by registering at www.carefirstvideovisit.com.
- **CONVENIENCE CARE CENTERS (RETAIL HEALTH CLINICS):** These are typically located inside a pharmacy or retail store (e.g., CVS MinuteClinic or Walgreens Healthcare Clinic) and offer extended hours. Visit a convenience care center for help with minor concerns like cold symptoms and ear infections.
- **URGENT CARE CENTERS:** (e.g., Patient First or ExpressCare) have doctors on staff for more severe illnesses or injuries when you need care after hours.
- **EMERGENCY ROOM (ER):** An ER provides treatment for acute illnesses and trauma. Call 911 or go straight to the ER if you have a life-threatening injury, illness, or emergency.

NOTE: The information provided herein regarding various care options is meant to be helpful when you are seeking care and is not intended as medical advice. Only a medical provider can offer medical advice. The choice of provider or place to seek medical treatment belongs entirely to you.

Need to locate a participating, in-network provider?

To locate an in-network provider visit www.carefirst.com/doctor or call **1-800-810-2583**.

Important Reminders:

- To pay for qualified expenses, your HSA must be opened prior to incurring those expenses.
- You may not have any other health insurance coverage, including through your spouse, Health Care FSA, Medicare, or Medicaid.
- If your child is under the age of 26, but does not qualify as a dependent on your tax return s/ he may be covered under your medical plan, but your HSA funds cannot be used for expenses for that dependent.
- If you have any questions about your HSA eligibility or eligible expenses, please consult a tax professional.

HEALTH SAVINGS ACCOUNT (HSA)

Available only to employees who enroll in the HSA-qualified medical plan.

A Health Savings Account (HSA) is a tax-advantaged savings account that can be used for qualified expenses today, or can help you save for future expenses.

An HSA can help you save money by allowing you to pay for qualified expenses with tax-free dollars. You can use the funds to pay for qualified expenses, such as medical and prescription drug expenses, as well as dental and vision expenses, for you and your tax dependents—even if they are not covered under your medical plan! Your HSA can be used to pay for eligible medical expenses of any family member who qualifies as a dependent on your tax return.

To contribute to an HSA, you must be covered by an HSA-qualified medical plan, and you cannot be eligible to make a claim for benefits under any other public or private health benefit arrangement. Health benefit arrangements include, but are not limited to, non-qualified commercial insurance, private employer arrangements such as Health Care Flexible Spending Accounts or Health Reimbursement Arrangements, and public options such as Medicare. This would also include a Health Care FSA solely as a result of a carryover of unused amounts, until the end of the plan year when the Health Care FSA carryover balance is exhausted.

Funding your HSA

You can set up an automatic per pay deposit to fund your HSA on a regular basis without any hassle. Your contributions will be deducted pre-tax from each pay and deposited into your HSA.

The IRS establishes a limit that you can contribute per year. The limits are based on whether you have the Individual or Family coverage under the qualifying medical plan, and they include contributions made by Asbury. Limits for the 2020 tax year are below:

	2020 HSA Limits Set by the IRS	Asbury HSA Contribution	Employee 2020 HSA Contribution Limit
Individual	\$3,550	\$250	\$3,050
Family	\$7,100	\$500	\$6,100

Individuals over age 55 may make an additional “catch-up” contribution of \$1,000.

PLEASE NOTE: The limits are based on a calendar year per IRS regulation. The combined amount of your Health Savings Account contributions during 1/1/2020 – 7/31/2020 from the prior plan year and your elections for the new plan year running 8/1/2020 – 12/31/2020, may not exceed the 2020 IRS HSA Limits. If you have questions regarding how your contributions will impact your individual tax situation, please consult a tax professional.

Reasons to Love a Health Savings Account (HSA)

- Triple Tax Savings
 - You can contribute to your HSA using tax-free dollars.
 - You can use the money in your HSA to pay for qualified expenses with tax-free money.
 - Money in the account accumulates year over year, and earns interest that is tax-free!
- You decide how and when to use the funds in your account; you can use the funds to pay for your qualified expenses or save them for future health care costs.
- The account may be used to build funds for retirement. Once you reach age 65, you can withdraw the money for non-medical reasons without a penalty.
- Your account is owned by you, which means you take it with you if you leave, resign, or retire from the company.
- Increased earning potential with investments—once your HSA balance reaches \$1,000, you may invest your funds for increased earning potential that is also tax-free.

How your medical plan and HSA work together

At the doctor's office...

1. Receive services. No copay is required at the time of service. Be sure to present your insurance ID card. If your health care provider requires a payment from you, it will be applied to your invoice.
 - **Remember:** In-network preventive care is covered at 100% with no deductible. You pay \$0 out-of-pocket for your annual physical, well-woman visit, mammogram, colonoscopy, routine immunizations, preferred preventive drugs, and other age and gender appropriate services.
2. Provider bills the medical plan. Your provider will submit a claim to CareFirst for services rendered. CareFirst will review the claim and apply contracted rates. The amount you owe will:
 - Be credited toward your deductible, or
 - Paid to the provider per your benefit plan if you have already met your deductible
3. You will receive an Explanation of Benefits (EOB) from CareFirst. Tip: Register on www.carefirst.com/myaccount to receive your EOBs electronically.
4. The provider will send you a bill reflecting the owed charges. Check to make sure that the amount matches the EOB sent to you by CareFirst. If not, contact CareFirst.
5. You can pay the bill with your HSA debit card. If the doctor's office doesn't accept credit cards, you can pay out-of-pocket using another method, and reimburse yourself from your HSA. **Tip:** Register on www.discoverybenefits.com and set up an electronic funds transfer to your bank account to make reimbursements easy.

At the pharmacy...

1. You can obtain a prescription from your doctor by submitting the prescription for needed medication along with your insurance ID card.
2. Verify your insurance coverage on the spot to determine the amount you owe for the prescription.
3. Use your HSA to pay for your prescription. The pharmacy fills your prescription, and you pay the determined amount owed. The expense is automatically applied to your deductible. Use your HSA debit card to pay for your prescription.

Eligible Expenses

Need a new pair of glasses? How about hearing aids? Due for a trip to the dentist? Those are just a few of the expenses an HSA covers. To view a full, searchable list of eligible expenses, go to www.DiscoveryBenefits.com/eligibleexpenses

Tip: Unlike with an FSA, purchases made with HSA funds don't require documentation. However, it's a good idea to save all documentation in case you're ever the subject of an IRS audit.

FLEXIBLE SPENDING ACCOUNTS (FSA)

For the plan year running August 1, 2020 through December 31, 2020 Healthcare and Dependent Care Flexible Spending Accounts will not be offered. However, due to the financial impacts of the COVID-19 pandemic, Asbury has taken a number of steps to try and offer more time and flexibility for associates to use their previously contributed funds. As such, Asbury has **extended the grace period** and claims filing deadline for any remaining 8/1/2019 – 7/31/2020 plan year FSA account balance to December 31, 2020.

If you have a remaining unused balance from the 8/1/2019 – 7/31/2020 plan year, **you can now submit for any claims incurred through December 31, 2020 against your remaining 2019-2020 FSA balance.** To see your remaining 2019 account balance, please login to your account with Discovery, our FSA Administrator, at www.discoverybenefits.com or the Discovery app.

PLEASE NOTE, at this time you will be able to use the Discovery Benefits/Debit Card to claim reimbursement from the 2019-2020 plan year balance. If this process changes, we will notify you immediately

ELIGIBLE HEALTHCARE FSA EXPENSES INCLUDE: Your out-of-pocket costs for doctor visit copays, prescription drugs, prescription eyeglasses, dental copays and deductibles, braces, contacts, hearing aids, and much more. For a list of eligible expenses, please visit the Discovery Benefits website at www.discoverybenefits.com/employees/eligible-expenses

MORE GOOD NEWS: The IRS now allows OTC medications and menstrual products purchased 2020 to be eligible for reimbursement. These new items purchased on or after January 1, 2020 are eligible to claim against a remaining 2019 Healthcare FSA balance.

PLEASE NOTE: If you choose to switch enroll into the HDHP plan and have a remaining balance in your Healthcare FSA, you will not be eligible to contribute to a Health Savings Account (HSA).

VISION

You have the option to enroll in a Vision plan administered by VSP. You may receive care from any provider you choose, but your benefits are greater when you see a participating, in-network provider. If you choose to receive services from an out-of-network provider, you will be required to pay that provider at the time of service and submit a claim form to VSP for reimbursement.

Did you know your eyes can tell an eye care provider a lot about you?

Routine eye exams are essential to preserve your vision and safeguard your eye health. Vision insurance can make routine eye care more affordable, especially if you are among the majority of people who wear prescription eyeglasses or contact lenses.

In addition to a vision screening, a routine eye exam can help detect signs of serious health conditions like diabetes and high cholesterol. This is important, since you won't always notice the symptoms yourself and since some of these diseases cause early and irreversible damage.

Need to locate a participating, in-network provider?

To locate a provider, call VSP at 1-800-877-7195 or visit the VSP website at www.vsp.com. When researching providers online, choose the "Choice" network.

Enjoy Exclusive Member Extras from VSP. View offers at www.vsp.com/specialoffers.

DENTAL

You have the choice between two dental plans administered by Delta Dental. You can see any dentist you want; however, using in-network dentists will save you money by allowing you to share in the pre-negotiated discounted fees charged by the network providers. If you receive services out-of-network, you will pay higher out-of-pocket costs and be balance billed by that provider.

LIFE AND AD&D INSURANCE

Financial protection for you and your family in the event of your death. Some coverage is provided to you automatically at no cost; additional voluntary coverage is available to purchase based on your needs.

Life insurance helps protect your family from financial risk and sudden loss of income in the event of your death. Accidental Death & Dismemberment (AD&D) insurance provides an additional benefit if you lose your life, sight, hearing, speech, or your limbs in an accident. Coverage is provided through The Hartford (toll-free phone 1-888-563-1124).

Don't Forget to Designate a Beneficiary!

Choosing who will receive your life insurance benefits is an important decision. During your benefits enrollment, make sure you've designated a beneficiary. Open Enrollment is a good time to check your beneficiary information to keep it up-to-date as your life status changes (e.g. you get married).

Core Life and AD&D Insurance

Company-Paid Benefit

- Class 1 (Associates whose work status is at least 60 hours per pay period): 1 times your base salary (rounded to the nearest \$1,000), up to a maximum of \$500,000. (Please note that coverage over \$50,000 is considered taxable imputed income.)
- Class 2 (Associates whose work status is between 30 and 59 hours per pay period): \$10,000 benefit.

Evidence of good health is not required. Benefits are subject to a reduction schedule, and reduce by 35% at age 70 and 50% at age 75 due to insurance company guidelines.

Not sure how much life insurance is right for you and your family?

Compare your beneficiaries' assets and expenses to estimate how much insurance you might want to buy. Insurance may be needed to help pay expenses for several years.

Consider these factors:

- Expenses
 - Regular expenses such as food, clothing and other recurring expenses
 - Debts, including car loans, mortgage or credit cards
 - Education costs for your children
 - Funeral expenses
- Resources
 - Savings, spouse's earnings, or other insurance you may have

A note about Evidence of Insurability (EOI)...

The Hartford requires you to show that you are in good health before they will agree to provide certain levels of coverage. This is referred to as “Evidence of Insurability (EOI)”.

EOI will be required for:

- Any Voluntary Life insurance amount you elect for yourself and/or spouse after this true open enrollment.
- Any Voluntary Life insurance amount that exceeds the Guarantee Issue Limit.

Coverage that requires EOI will not be in effect until you receive approval from The Hartford.

Associate-Paid Supplemental Life Insurance

For associates whose work status is at least 60 hours per pay period. Supplemental Life Insurance coverage is available through The Hartford (toll-free phone 1-888-563-1124); participation is voluntary, and you pay 100% of the cost.

You must elect coverage for yourself in order to purchase coverage for your spouse and/or dependent children.

For Associate

- Increments of \$10,000, up to a maximum of \$500,000 or 5 times your annual salary, whichever is less.
- This year, The Hartford is offering a true open enrollment, so if you waived coverage when you were first eligible, you will now be able to elect coverage up to the the Guaranteed Issue (GI) amount without Evidence of Insurability (EOI). The GI amount has also increased to \$200,000 so you will be able to elect up to this amount without EOI.

For your spouse

- Increments of \$5,000, up to 50% of your elected Voluntary Life amount. The amount of Spousal Life Insurance cannot exceed \$250,000.
You must elect Voluntary Life Insurance for yourself in order to elect coverage for your eligible spouse.
- This year, The Hartford is offering a true open enrollment, so if you waived coverage when you were first eligible, you will now be able to elect coverage up to the the Guaranteed Issue (GI) amount without Evidence of Insurability (EOI). The spouse GI amount has also increased to \$150,000 so you will be able to elect up to this amount without EOI.

Benefits for you and your spouse are subject to a reduction schedule, and reduce by 35% at age 70 and 50% at age 75 due to insurance company guidelines.

For your children

- \$10,000 benefit (If death occurs before age 14 days there is no benefit. If death occurs age 14 days to 6 months, the maximum benefit received is \$100.)

- Pre-existing condition limitations apply.

Long-Term Disability payments are not payable for a disability caused by a pre-existing condition, which is an injury or illness or which you have consulted a doctor or received treatment during 90 consecutive days prior to the effective date of coverage. If you have a pre-existing condition, there is a 12-month waiting period before benefits for that condition will become payable. A condition will no longer be considered pre-existing if it causes a disability after you have been enrolled in the Long-Term Disability plan for at least 12 consecutive months.

Associate-Paid Disability Insurance

For Associates not eligible for the company-paid Disability Insurance, and whose work status is at least 60 hours per pay period.

If you are not eligible for the company-paid Disability Insurance, you have the option to purchase voluntary Short-Term and Long-Term Disability coverage through The Hartford (toll-free phone 1-800-549-6514). For any disability that results from, or is caused or contributed to by, a pre-existing condition, benefits will only be payable for up to 4 weeks. A condition will no longer be considered pre-existing if it causes a disability after you have been enrolled in the STD plan for at least 12 consecutive months or until the employee has been covered for 6 consecutive months with no medical care for the condition.
- Please note this has changed to a flat percentage from the \$100 increments between \$100-\$1,000.

Voluntary Long-Term Disability (LTD)

- 50% of your monthly salary up to a maximum of \$6,000 per month.
- Benefit payments begin after 180 days of continuous disability, and benefits will continue for a maximum of 5 years as long as you are disabled prior to age 61.
- If you become disabled after age 61, the duration of the benefit is dependent on your age at the time of disability. For more information, please refer to the Schedule of Insurance section in the Certificate.
- The Voluntary LTD pre-existing condition limitation applies to conditions for which an employee receives medical services within 6 months of the effective date of coverage. No benefits are payable for a disability resulting from such a condition until the employee has been covered for 6 consecutive months with no medical care for the condition, or until the employee has been covered for 12 consecutive months.

If you receive benefits from other sources, such as Workers Compensation, Social Security or other group and government disability benefits, they will be subtracted from the benefit amount you receive under the STD or LTD plan. Please refer to the Certificate of Insurance for more information.

A note about pre-existing conditions

Voluntary Short-Term and Long-Term Disability benefits are subject to a pre-existing condition exclusion. - Your children — Dependent children until their 26th birthday, regardless of marital or student status

If you have an accident, will it hurt your bank account, too? The Hartford's Accident Insurance gives you something to fall back on.

An accident can happen to anyone, and recovery can be costly. Your medical plan may pick up most of the tab, but leave you with out-of-pocket expenses that add up quickly. Accident insurance can help ease the unplanned financial burden by complementing other insurance you may have, including major medical and disability coverage. As medical costs continue to rise, this additional layer of financial protection may make a difference at a time when you and your family need it most.

Accident Insurance provides benefits for covered accidental injuries, related services, and treatments. Examples include:

401(K) PLAN

The 401(k) Retirement Savings Plan allows eligible associates to plan for their long-term financial future. By participating in the 401(k) plan through Principal, you are saving for your retirement by contributing a percentage of your pay to the plan on a pre-tax basis. This means that the amount contributed to the plan from your pay will not be taxed as income until it is ultimately distributed to you from the plan.

You are eligible to participate on the first day of the payroll period following your date of employment. You may contribute any percentage of your pay. Asbury makes a nonelective contribution equaling 3% of your total earnings into your account. Asbury will also make a matching contribution of the first 2% you contribute. You must complete one year of service (working at least 1,000 hours during the year) to be eligible to receive Asbury's 3% contribution and the 2% matching contribution.

Once your contributions begin, they will continue unless you elect to make a change. You may increase or decrease your contribution percentage, stop your contributions, and/or resume your contribution at any point in time. To change the way your account is invested, call **1-800-547-7754** or visit the plan's website at www.principal.com.

You may take a withdrawal from your 401(k) account upon normal retirement at age 65 or delayed retirement, total disability, death, or termination of employment.

ADDITIONAL BENEFITS

Paid Time Off (PTO)

The company provides an accrual of paid leave hours for associates based on scheduled hours and length of service. PTO hours may be used for short and extended periods of time off from work (when approved by management).

Please refer to the PTO Policy for accruals and Asbury-recognized holidays.

If you have questions about any of these benefits, please contact your local Human Resources Department.

Tuition Reimbursement

After completing one year of service, associates whose work status is 60 hours or more may be eligible to receive tuition reimbursement at 90% of approved costs up to \$2,000 per year.

GLOSSARY

ALLOWED BENEFIT “AB”—This is the amount that the insurance carrier has established for payment of covered services. When receiving services out-of-network, you are responsible for charges that exceed the allowed benefit.

BLUECARD WORLDWIDE—International access to doctors and hospitals in more than 200 countries and territories around the world.

COINSURANCE—The percentage of the charges that the member is financially responsible for. Coinsurance is often applied after you have met the deductible.

COPAY—The flat fee paid by the member when a medical service is received (such as \$20 for a Primary Care doctor’s visit or \$5 for a generic prescription at a retail pharmacy). In most cases, you are responsible for payment when services are received. Copays do not apply to the deductible.

DEDUCTIBLE—The dollar amount you must pay each year out-of-pocket before the plan will pay for certain eligible benefits.

EMBEDDED—Each plan member is only responsible for the Individual amount. See also non-embedded.

EPO—stands for “Exclusive Provider Organization.” As a member of an EPO, you can use the doctors and hospitals within the EPO network, but cannot go outside the network for care. There are no out-of-network benefits.

HEALTH SAVINGS ACCOUNT (HSA)—A tax-advantaged savings account that you can use to pay for eligible expenses tax-free.

HSA-QUALIFIED HEALTH PLAN—The type of plan you need to enroll in to be eligible to contribute to a Health Savings Account (HSA).

IN-NETWORK—Preferred providers and facilities within the plan network that have agreed to negotiated rates. In-network providers generally charge you less than out-of-network providers.

NON-EMBEDDED—The entire family together meets the Family amount. See also embedded.

OUT-OF-POCKET MAXIMUM—The maximum amount the member would have to pay in a plan year for eligible medical expenses. After reaching the Out-of-Pocket maximum, the plan pays 100% of the allowable charges for covered services in-network for the remainder of the plan year.

PLAN YEAR/BENEFIT YEAR VS CALENDAR YEAR— Plan Year/ Benefit Year is the annual period from August 1 through July 31. Calendar Year is the period of time from January 1 through December 31 of each year.

PRE-CERTIFICATION—Approval from your doctor to receive certain services. The medical carrier will not pay for these services unless approval is received. Examples include: hospitalization, surgery, home health care, hospice care, private duty nursing, and therapy services. In order to obtain pre-certification, your doctor should contact the insurance carrier.

PPO—PPO stands for “Preferred Provider Organization.” It is a group of hospitals and physicians that are contracted with insurance companies to provide medical services. Out-of-pocket costs are lower when a provider is used within the PPO network (called in-network).

REASONABLE & CUSTOMARY CHARGES— Reasonable & Customary (R&C) refers to the commonly charged or prevailing fees for services within a geographic area. A fee is considered to be reasonable if it falls within the parameters of the average or commonly charged fee for the particular service within that specific community.
