Dear Family Member(s) of the Oaks,

We are pleased to share that we are gradually entering reopening conditions as established by the Commonwealth of Pennsylvania. Having accomplished baseline testing of all residents and staff last month, including a successful follow-up round of tests, we are now able to enter Step 2 of our Plan for Reopening. What does this mean for you? This provides the opportunity to schedule an in-person visit with your loved one here on the “back porch” of Bethany’s Oaks Skilled Nursing.

Please see the attached flyer with specific instructions for in-person visits, which can now begin to be scheduled and will start on Wednesday, July 29th. You may email Jane Delsordo at JDelsordo@Asbury.org to schedule your afternoon visit at the designated times listed, as available.

Of course, if Cumberland County should regress or if we encounter a new case, we would need to revert to previous measures.

Stay well, and we look forward to seeing you soon!
