This message is going to KAL residents & family members.

August 4, 2020

Dear Kindley Assisted Living Residents & Family Members,

As we shared last week, we had hoped to be able to resume outdoor visits today, August 4th, for Kindley Assisted Living. Unfortunately, visits continue to be temporarily suspended per guidelines from the Maryland Department of Health due to testing requirements. Just as soon as we can restart outdoor visits we will be sure to let you know. In the meantime, we continue to offer Zoom, Skype, FaceTime, and window visits to help you stay connected with your loved ones. Please reach out to either Martha Macias for the Reflections Neighborhood, Monday through Friday 8 a.m. - 4 p.m. by phone at 301-216-4273 or by email at mmacias@asbury.org. Or you may contact Ann Giaquinto at (301) 216-4305 or agiaquinto@asbury.org or Celia Nathan at (301) 987-6308 or cnathan@asbury.org.

As a reminder, we must also continue to suspend on-campus salon visits for KAL residents including both the Mund and Diamond salons. We are awaiting confirmation from the DOH on when we may safely resume these activities.

Please feel free to call with questions or clarification and know that your Kindley team is working tirelessly to keep everyone safe.

Thank you for your continued support and team work in fighting COVID-19.

Sincerely,
Ann Giaquinto
