

August 13, 2020

Dear RiverWoods Residents, Family Members & Employees,

The health and safety of those who live and work at RiverWoods is our top priority. In response to the pandemic, our precautions have evolved in recent weeks in line with CDC, state and local health authorities, and today I have an update for you about our reopening plans.

We are postponing our latest round of phased-in reopenings, which were originally scheduled for this Saturday, August 15th, and will revisit our plan in two weeks. I know this is difficult news, as our team has worked incredibly hard to prepare the community for new visitation, dining and small-group activities opportunities. However, we recognize that we must do all that we can to combat COVID-19. As many of you may know, Union County and the greater area have seen an uptick in COVID-19 cases recently. This increase led Pennsylvania Gov. Tom Wolf to recommend school districts in the area to not open for in-person classes to begin the school year.

Here at RiverWoods, residents, families, and staff have collaborated throughout the pandemic to ensure our community remains as safe as possible. Together, we must continue to be diligent and patient.

I know the challenges have been significant, the road has been long, and the path ahead might still be bumpy, but our ability to come together will see us through it. If you have any questions, please contact me at (570) 522-6232 or by email at lennea.brown@albrightcare.org.

Sincerely,

A handwritten signature in cursive script that reads "Lennea Brown".

Lennea Brown, NHA
