SOCIAL, ENGAGED LIVING

Virginia Wilt

Moving to Bethany Village is the best decision we could have made regarding our health and wellness. We socialize with friends, family and acquaintances, play games with neighbors, enjoy having friends over for dinner, dessert, or just a glass of wine. Our only regret, we should have come sooner! Come, join our beautiful community and enjoy a carefree retirement. Beautiful people live here.

RICH SENSE OF COMMUNITY

Dale and Ellie Meadowcroft

We lived in our house for 30 years and I was in my neighbor's house once. We moved here and the night we moved in I was in three different homes as they welcomed us in. It was a life-changing experience for me. There's a lot to enjoy, and we encourage people to make the move while you can enjoy the opportunities that are available.

SECURITY DURING CHALLENGING TIMES

Louise Weldy

We came as a couple from out of state, found so many new friends and activities to pursue, and found ourselves at home. When my husband passed, this new family of friends continued. The facilities are high class, the care of the administration during this COVID crisis is admirable, and the staff is dedicated. My own family call Bethany "Grammy's Country Club!"

RELAXED, MAINTENANCE-FREE LIVING

Jim Wilt

As I look back on what was coming next as a capital expense, was it going to be a major appliance going out, is it going to be the air conditioner that needs replaced, or the roof that needs replaced, I'm so thankful that all of that is behind me. We found Bethany Village was an opportunity to do what we wanted to do.

A PLAN FOR THE FUTURE

Jeannie Firestone

Lovely campus and wonderful, caring staff members. In a 35-year health care career, I have had the opportunity to visit literally hundreds of nursing, rehabilitation and assisted living centers. There is not a single entity that matches Bethany Village.
