

A Message from Executive Director Lauren Dieter

Dec. 11, 2020

Dear Residents, Family Members & Associates,

As we should expect, our approach to addressing the COVID-19 pandemic continues to evolve as we place the highest priority on the health and safety of those who live and work here. You may already be aware that on Thursday, Pennsylvania Gov. Tom Wolf issued new COVID-19-related safety orders that will impact Normandie Ridge. The orders go into effect at 11:59 p.m. tonight and focus on temporarily closing in-person dining and indoor wellness classes. As of now, Gov. Wolf says the order is in effect for three weeks -- through Jan. 4, 2021.

Here's what is changing:

- **In-person dining is suspended.** We will continue to offer delivery and take-out options, please see the info below for details:
 - Orders for pick-up or delivery can be placed by calling the café (Delivery charges apply).
- **The wellness center will also be temporarily closed.** This means no indoor wellness, fitness or aquatics classes or open gym or pool times.

Outdoor classes may be held – please contact Dave Bell at 717-718-2912 for more information.

- The state order also limits in-person gatherings to 10 people. This restriction does not impact us. **As a reminder: the max gathering size for in-person visits is 2 people per home in Residential/Independent Living, and mask wearing and physical distancing are required at all times.**

While this is not an ideal situation, we are supportive of these new measures to help mitigate the transmission of COVID-19. The recent uptick in COVID-19 cases across our area and the entire country is concerning and we must do our part, as a community, by following these safety precautions.

Normandie Ridge associates remain committed to their sacred work in serving you and your fellow residents. And we need you to do the same. Remember, we are all in this together. Please continue to follow the 3 W's:

1. Wear Masks
2. Wash Hands
3. Watch Distance

We will continue to keep you updated on any developments here at our community. As always, you can visit the COVID-19 Communications Hub at [Asbury.org/COVID19](https://www.asbury.org/COVID19) where you can view updates and information related to our response to the pandemic.

Thank you for your continued support. We will get through this – we are closer now than ever, but we must not waver from our commitment to health and safety. Thank you for choosing Normandie Ridge and for your partnership. We are #AsburyStrong.

Sincerely,

Lauren Dieter, NHA MBA
