A Message from the Executive Director

December 23, 2020

Dear Residents, Family Members & Associates,

As I write this today, amid the holiday season and just days from the turn to a new year, I think about the year that was. We have been through a lot in 2020, some days tougher than others. But regardless of the type of day we've experienced, we've done so together – as a community of residents, associates and family members who want only the best for those we live with and work alongside.

The holidays mark a time to reflect on one of the most important gifts we have – the beauty of our relationships. The pandemic can't take that away and has likely made our relationships even stronger as we've bonded in new ways, be it with more phone calls or video calls, or a friendly chat with a neighbor to see how they're doing. Yes, much has been different this year. But some of the most important things – like our ability to invest in, and enrich, our relationships – remain the same.

And now we enter a new, and positive, phase in combating COVID-19, as the vaccine slowly rolls out. We have much to look forward to, and much to be thankful for as we celebrate during this holiday season and count down to the

New Year.

I wish you a Merry Christmas and the very best to you and your family. Our bond as an organization has never been stronger and that, for me, is a gift I'm happy to experience each time I walk into our community!

Our Approach to COVID-19 Vaccinations

We are now entering a new phase in addressing the transmission and risk of COVID-19: the use of vaccines. Asbury, in concert with the CDC, state and local health departments, will be receiving COVID-19 vaccines for administration to Health Care Center/Skilled Nursing and Personal Care/Assisted Living residents and associates at each Asbury community. We have partnered with CVS Pharmacy to procure, store and administer all COVID-19 vaccines. We will share updates with you as we learn more about the vaccination schedule for our community. [Please click here to read the original communication](#) with how we are handling our approach to vaccinations. We have also posted a new section, [Vaccine Information](#), on our COVID-19 Communications Hub.

We did it: #20 on the NATIONAL Best Workplaces for Aging Services List!

Great Place to Work® and *FORTUNE* have honored Asbury Communities as one of the 2020 Best Workplaces for Aging Services in the United States. [We are ranked #20](#) on *FORTUNE*'s national list of Seniors Housing & Care (Large).

Making this list is not easy. The last time we made the list was 2018. We are proud of how we've worked together as an Asbury family this year to do all that we can to keep our community safe. This has been a year to remember. It has been a year that showcases the power of Asbury. We are #AsburyStrong and we are proud of this recognition. Thank you for choosing Asbury Methodist Village and giving us the opportunity to serve you.

Getting into the Spirit!

Associates at Wilson Health Care Center asked family members to honor a loved one with a holiday ornament to hang on the “Wilson Legacy Tree.” Here is Activities Assistant Amelia Stone putting up the first ornament on the tree! And ... how about ice sculpting? We've got that covered, too, with an ice sculpting demonstration last week!
