An Important Update Regarding New Dining Closures

December 8, 2020

Dear Residents,

We have an update for you today regarding dining services here at Asbury Methodist Village. As of this evening, Tuesday, Dec. 8, all dining venues in Residential Living are temporarily closed for in-person dining. You may recall that we closed the Crawford and Park View dining rooms on Friday, and today we're expanding the temporary closures to the rest of Residential Living as the list of residents or associates with potential exposure to COVID-19 and who are in quarantine or isolation has widened. As a reminder, you can view our daily COVID-19 status charts at Asbury.org/COVID19.

We know this is a challenging sacrifice to make for safety, and we appreciate the importance of in-person dining at AMV. Thank you for understanding and making this short-term sacrifice with us. The health and safety of those who live and work here is our top priority, and we will never waver from that. We will keep you updated on the status of our dining areas. Please know that takeout and delivery options continue. Please see the following details.

- Effective immediately, all RL Dining Rooms and the Blue Note Bistro will be closed until further notice.
- Meal delivery service continues.
- The Shoppe will remain open.
- Christmas Eve, Christmas Day, New Year's Eve and New Year's Day will all be delivered meals only. Reservation forms for these holidays may still be completed and turned in for delivery orders. There will be no "dine-in".
