Weather Alert -- Residential Living COVID-19 Vaccine Event: We Are Ready for the Snow

Snow is in the forecast for early next week and the Residential Living COVID-19 Vaccine Event is scheduled for Monday through Wednesday. Please know that we are ready and prepared for whatever the weather may bring. Safety remains our top priority. The Facilities Team is coordinating snow plowing and removal efforts, along with Brightview Landscape. We have placed a high priority on the Rosborough area to keep all roads, the parking area and sidewalks clean and safe. Brightview will be on campus Sunday when the snow event is expected to begin and will continue its snow removal efforts until the weather event ends. Please stay alert and be careful. We will share additional information as it warrants.

A Message from the Executive Director

January 29, 2021

Dear Residents, Family Members & Associates,

I'm pleased to share this month's community newsletter with you. We have updates on many topics, including vaccinations, community operations, a new way to show off Asbury Methodist Village gear, news you need to know, and

more.

I am proud of the way our community continues to bond together in our now two-pronged approach to defeating COVID-19: the vaccine roll out and our continued vigilance around all the transmission-based precautions we have in place at AMV. I am just in awe and truly inspired when I see the efforts of so many go into pulling off the vaccine events. These are no small effort --from the events earlier this month in Wilson Health Care Center to the upcoming Residential Living vaccine clinic next week -- it's an incredible showing of the spirit our community has! Please know that we also continue to post vaccine-related info on our dedicated COVID-19 hub on our website – [check it out here](#).

Over the past 11 months, we've been through a lot and we've been challenged time and time again. But the new year brings new hope to get to the other side of the pandemic. As a community of 1,900 residents and associates, we have shown our strength, but we're not stopping now – we continue to work together, and as a result, our muscles only get stronger. Thank you for your commitment, camaraderie and energy – it's inspiring and I'm so very proud to say: we are #AsburyStrong!

Important & Timely Community Updates

Please note that many of these updates and reminders are also included on our community operations site, [Asbury.org/asbury-methodist-village/resources-events/family-friends](https://www.asbury.org/asbury-methodist-village/resources-events/family-friends):

- **Residential Living COVID-19 Vaccine Clinic is set for Feb. 1-3 (Monday, Tuesday and Wednesday). Here's what Residential Living residents need to know:**
 - **What to expect:** [Click here to watch this video](#) of what your vaccine appointment experience will be like.
 - **What you need to know:** [Click here to review this communication](#) that summarizes everything you need to know before the event.

- **The Rosborough Center will be closed to most foot traffic during the Residential Living vaccine clinics Feb. 1-3:** To accommodate this large undertaking, The Shoppe, computer labs, pool, and Wellness Center will be closed.
- **For the latest happenings and community news**, check out this week's [News & Information Digest here](#).
- **Know a family member who should be receiving our community updates?** Please direct them to this webpage, [asbury.org/family-covid-email-sign-up](https://www.asbury.org/family-covid-email-sign-up), to sign up to join our family distribution list!
- **As a reminder, all COVID-19 data is updated daily on the Asbury COVID-19 Response and Communication webpage** at [Asbury.org/COVID19](https://www.asbury.org/COVID19). You can find the daily status charts in the first blue button on the side bar.

Wardrobe Update: Asbury Methodist Village Apparel Now Available!

Looking to update your wardrobe? Here's a way you can show off your community -- with Asbury Methodist Village gear! Check out the Asbury Apparel online store! You can purchase anything from shirts to pullovers to backpacks and more. The

apparel store is run by a third-party organization, Artistic Imprints, and you can access the website directly [here](#).

Asbury Foundation + REACT Neuro = Brain Health Innovation Pilot at AMV

At Asbury, we stay true to our core values of quality and innovation. Earlier this month, we put this value on full display as the Asbury Foundation hosted a livestream event showcasing a unique brain health pilot launching here at Asbury Methodist Village. REACT Neuro, made possible through the power of philanthropy, is a key component of the community's Rosborough Wellness and Brain Health Center for Excellence, and uses a virtual reality headset to provide a general neurocognitive assessment by tracking changes in eye movement, voice and balance.

"This is where the value of strategically aligning philanthropy with organizational goals comes into play," Foundation President **J.D. Shuman** said.

J.D. and Asbury Communities President & CEO **Doug Leidig** were thrilled to host

this event about REACT Neuro on Jan. 14 for special Foundation donors. REACT Neuro is the work of celebrated brain experts from Harvard Medical School and the Massachusetts General Hospital McCance Center for Brain Health. [Please click here](#) to learn more and watch a highlight video of the event above.

We are all in this together. Thank you for your continued understanding and cooperation. We are #AsburyStrong!

Sincerely,

Michele Potter
Executive Director
