

Tips for a Successful Visit at Kindley Assisted Living

We do ask that you follow these simple rules as we continue to keep our resident's safety and wellbeing our top priority.

- Please follow Asbury's screening process:
Screening & Safety Measures Before Arrival: Here at Asbury we all have a responsibility to support and protect each other. All persons entering our community will follow our screening procedure, which includes a temperature check and questionnaire. We have updated our screening process. *Prior to your arrival, please go to this link, <https://bit.ly/AsburyEntryPass>, to answer our screening questions.* If you are unable to access the link via your phone, you must complete the questionnaire with the Concierge in the Lobby before your clearance to visit.
Arrival for Screening and Visit-When you arrive at Asbury, please announce your arrival to the Gatehouse staff. You will be directed to come to Kindley (333 Russell Avenue) for your temperature check and screening in the Kindley Lobby. When you have finished screening, please wait for an Associate to take you to your visiting area.
- You must make a reservation for an Outdoor visit prior to arriving on campus.
- Visitors are limited to two (2) for in-person/outdoor visits (ages 12 and up), and three (3) per resident for window visits; we ask that you travel together in one car due to limited parking.
- Parking will be available in front of the Kindley Assisted Living Building.
- You must wear a mask at all times during the visit and keep at least 6-10 feet away from any residents that may be outdoors.
- Please be mindful that other families may follow your visit so leave the area clean and free of any trash.
- We are happy to welcome you for the time slot allotted for your visit; other residents and family members have visits scheduled before/after. Please be mindful of your scheduled timeframe so that all residents may enjoy their visits as planned. Arriving on time will ensure your ability to visit your loved one. We recommend that you arrive early due to the screening process.
- If you arrive early, please wait in your car until your appointment time.

*If you have items for your loved one, Please drop items off at the concierge desk before or after your visit.

- In the case of inclement weather visits will be rescheduled.

Enjoy the smiles of one another and this opportunity to share time together in a safe place!

Residents with isolation precautions may not participate in outdoor/in person visits until a physician has determined that the isolation precautions are no longer needed.

Thank you for working with us and Please enjoy your Visit!

Ann Giaquinto
