In This Month's Community Update ...

We have plenty to share in this month's community update: A mid-spring message about that shift toward a "familiar" feeling, a fun way we celebrated National Pretzel Day ... and more.

A Message from Executive Director Michele Potter

April 30, 2021

Dear Residents, Family Members & Associates,

As I pull into our community each morning, there's that familiar feeling of spring. The grass is now fully green, topped with morning dew. The flowers are blooming on schedule and I often see our maintenance team and landscape partners tending to our grounds spanning more than 130 acres. I usually also see several residents out and about getting their steps in as they start their day with a little exercise.

The "familiar" feel about all this is reassuring.

Last spring, it was all about the unfamiliar. But that's no longer the case. We have arrived together at this turn of the calendar – a shift toward the familiar, albeit slowly, but surely.

Like the deep and ever-growing roots below the soil, our partnership has

strengthened over the past year. Thank you.

May is a beautiful month and I hope you're able to enjoy all there is about it, from Mother's Day to Memorial Day and all that's in between.

Sincerely,

Michele Potter

This Might Bring a Smile ...

Who doesn't "knead" a little extra fun in their day?! Well, don't get it "twisted," the associates of Wilson Health Care Center knew how to celebrate National Pretzel Day on Monday in style! Residents enjoyed pretzels, music, and some dancing with these costumed associates!
