SCENIC CAMPUS

Lucinda Keister

The special plus that I appreciate is something unique - the large and very beautiful grounds. It's remarkable how the feeling of freedom to enjoy nature on your own any time you want adds a unique dimension to living at Asbury. And my children are very impressed, too!

A RICH SENSE OF COMMUNITY

Maryann Dolan

From day one I felt at home here with welcoming neighbors, beautiful grounds and opportunities for involvement. I found that the rich sense of community is extended even beyond our fence through the Gaithersburg Beloved Community Initiative.

Terry Murphy

The place is loaded with alert and engaged residents - a bubbling pool of wonderful new friends. We nailed the peaceful, stress-free retirement folks dream about. Life has turned out better than we ever expected.

A WEALTH OF PROGRAMS

Linda Davis

In addition to the excellent resident-run education series, we have issue-oriented committees and a robust wellness and exercise program. We even found space for our bicycles and kayaks. Another plus is the spacious Resident Gardens where I raise vegetables and flowers.

Kay and Kenneth Rogers

We visited the retirement communities in this region and chose Asbury. Our house, half of a duplex, is attractive and well designed. We have numerous cultural events here, notably the lectures and musical evenings sponsored by the Keese School and the Strathmore Music Center.

AN ENGAGING WAY OF LIFE

Maynard Mack

I was not ready to move in to AMV; my wife was. I was wrong; she was right! Asbury has exceeded all my expectations and calmed any concerns I had. The variety of opportunities for the mind, heart, and body is unlimited. We have made many new friends. We've restarted yoga, attend lots of the Keese School lectures and find that there are simply more things going on than we have time for each day.

Susan Dunn

Asbury is soooo welcoming. I feel safe and right at home with all the wonderful & friendly people and the lovely campus - great for walking. Did I mention the food? Awesome! Asbury is the best option - period!

SAFETY DURING CHALLENGING TIMES

Linda Phillips

We could not have felt safer during COVID-19. Asbury was a step ahead in meeting our health and safety in taking care of our every need. We are delighted to be here during this crisis.

MODERN, MAINTENANCE-FREE RESIDENCES

Jag Bhargava

Where you live can make all the difference. We moved to our 2-bedroom Courtyard home in 2011. We love the natural light pouring in every room - including the great room with a double glass door to the courtyard and the den with five windows looking at the Asbury campus. Another great feature is the spacious two-car garage. All of the maintenance including grass cutting and snow removal are taken care of.
