

ForestView Health Care Center Short-Term Rehabilitation

Welcome Packet and Frequently Asked Questions for Residents and Family

Welcome to the ForestView Health Care Center!

We are pleased that you have chosen our community for your recovery. We are proud to provide quality health services.

During your stay here at ForestView, an important part of your recovery is participating in rehabilitative therapy sessions, in an effort to maintain your emotional and social wellness.

Your preferences and your comfort are equally important to us; we will work with you to deliver person-centered services that make you feel as 'at-home' as possible.

Room Number: _____ **Room Phone Number:** _____

Social Worker: _____ **Nursing:** _____

My Care Plan Date: _____

Address: 2301 Edinboro Road, Erie, PA 16509

Please see the following pages for detailed information regarding your stay. Once again, welcome to ForestView, where your well-being is our highest priority.

Frequently Asked Questions

Care Plan Meeting: A meeting will be scheduled for you and your primary contact to take place within seven days of admission where we will discuss your plan of treatment. The meeting may take place in person or virtually depending on preference.

Visiting Hours: Guests are welcome seven days a week with flexible hours of visitation. Ring the intercom upon your arrival and an associate will provide entrance and exit assistance. Well-behaved pets are permitted.

Dining & Hours: You will be given a menu on Wednesday and Saturday to choose your meals in advance. Residents who would like something different may order from a menu of other options for lunch or dinner.

Woodside & Fountainview Dining Room

Hours:

- Breakfast: 7:45 AM
- Lunch: 11:45 AM
- Dinner: 4:45 PM

Guest Meals: Friends and family are welcome at any meal. Charges are billed through the monthly service fee to the host resident.

Resident Programs: Currently, there are small group resident programs/activities. One-on-one sessions with our Activities Department are available.

Appointments: Follow-up appointments must be made by you or your loved one. Please notify the nursing manager with time and date of appointment.

Transportation: Transportation to appointments is provided by a variety of service providers. The admissions department can assist with choosing the appropriate method of transportation and vendor.

COVID-19 Safety & Updates: For COVID-19 updates, please enroll in our Family emails at [SpringhillErie.org/ Events & Resources/Family & Friends](http://SpringhillErie.org/Events&Resources/Family&Friends).

- We follow CDC recommendations and CMS regulations to mitigate infections, including COVID-19. Based on current regional transmission rates, positive cases at our community and your possible exposure status, you may be required to take additional precautions, such as testing or masking or quarantining. Based on these factors, our team will review necessary requirements with you upon admission.
- ForestView Health Care Center works with our regional health care providers and pharmacies to offer the COVID-19 latest treatments as available and indicated. We utilize heightened infection-control and cleaning processes. Staff uses personal protective equipment when entering your room.

Social Services: The Social Work Department will work with you and your loved one to set up a care plan meeting to discuss discharge, progression of rehabilitation, nursing updates, etc.

Leaving the Health Care Center: Your safety is very important. Please notify your nurse before leaving the building.

Laundry: All personal items should be marked with the resident's name to minimize misplaced items. For a nominal fee, personal laundry can be done by our staff. A washer and dryer are available near the A-wing nurses station for those wishing to do their own laundry.

Frequently Asked Questions

Resident Mail: Staff promptly delivers mail after receipt from the U.S. Postal Service. Social Security or pension checks, bills, etc., may be rerouted to a responsible party if desired. Outgoing mail may be sent out at the front desk.

Television/Telephone: included for short-term rehabilitation residents.

Internet: Wifi is available in all rooms.

Tippling: Our associates appreciate compliments but may not accept tips and gifts.

Rehabilitation Services and Expertise

Physical, occupational, and speech therapies are provided with a doctor's orders by a highly experienced team of professionals employed by Springhill.

We provide quality rehabilitative services to get you functioning independently as safely and as quickly as possible.

Our rehabilitation therapists have multiple certifications, including a CSRS-certified stroke rehabilitation specialist.

If you are a resident of the Springhill retirement community or OakView Personal Care, we offer outpatient therapy services on site or, if possible, at your residence.

Please contact us at ext. 7117

Resident & Family Education for Recommended Adult Immunization Schedule*

**Adapted from the CDC*

At Asbury Communities, we are committed to your health and wellness and will support you to follow the recommended adult immunization schedule. We can also provide additional info about any of the recommended vaccinations. Let us know how we can help!

Vaccination is one of the most convenient and safest preventive care measures available. It is important for adults to keep their vaccinations up to date because immunity from childhood vaccines can wear off over time. You may also be at risk for different diseases as an adult or need additional vaccines due to health conditions, job requirements, lifestyle or travel. Talk to your healthcare professional about other recommended vaccines and which vaccines are right for you.

Adult Immunization Schedule Recommendations (by age)

Vaccine	50-64 years	≥65 years
Influenza inactivated (IIV) or Influenza recombinant (RIV4)	1 dose annually	
Varicella (VAR)	2 doses	
Zoster recombinant (RZV)	2 doses	
Pneumococcal conjugate (PCV13, PCV15, and PCV20)	1 dose of PCV20 OR	1 dose of PCV20 OR
Pneumococcal polysaccharide (PPSV23)	1 dose of PCV15 followed by 1 dose of PPSV23 at least 1 year later	1 dose of PCV15 followed by 1 dose of PPSV23 at least 1 year later Reminder: No additional doses are indicated at this age if PCV15 or PCV20 were administered at a younger age.
Tetanus, diphtheria, pertussis (Tdap or Td)	1 dose at least every 10 years	

About the COVID-19 vaccine

All adults are recommended to receive the COVID-19 vaccine. There are multiple options and dose recommendations vary by product and medical indication. Learn more about COVID-19 Vaccination at: <https://www.cdc.gov/covid19>.

General side effects of vaccinations are:

- | | | |
|---|-------------|-------------------|
| Tiredness | Muscle pain | Nausea |
| Headaches | Chills | Allergic reaction |
| Pain, redness or swelling in the vaccinated extremity | | |

Side effects are generally limited the first few days following the vaccine. To alleviate any side effects you may experience, drink plenty of fluids and move your vaccinated extremity often to prevent soreness. Contraindications to vaccinations may be a history of a prior reaction or allergy to a component. For more info about the recommended vaccinations, please visit:

- COVID-19 Vaccination: <https://www.cdc.gov/coronavirus/2019-ncov/vaccines/index.html>
- Vaccine information for Adults: <https://www.cdc.gov/vaccines/adults/index.html>
