*"I'm most pleased with the friendliness of the staff and the pleasant interaction between residents and staff. Residents and staff look out for each other. Campus is lovely for walking and location can't be beat...with a vibrant historic town 1/2 mile away and a small university offering cultural and continuing educational opportunities for seniors." - Pam Mauger*

*"We moved to RiverWoods because we wanted to lighten the burden of home ownership. We also didn't want our family to have to make decisions about where we live—we made the move on our terms. We've lived at RiverWoods for 10 years and we tell our friends, make the move now!" - Larry and Clara Kemmerer*

*"We really, really appreciate the wellness team. It's such a plus to have a fully equipped gym and professionally staffed center right here on campus." - Allen and Joanee Schweinsberg*

*"This is a wonderful place to live. The staff is professional and friendly. Living in an apartment means that all of the services that I want to use are in one building...the dining room, well-being facilities, including an indoor pool, are convenient. I highly recommend RiverWoods." - Carl Moyer*

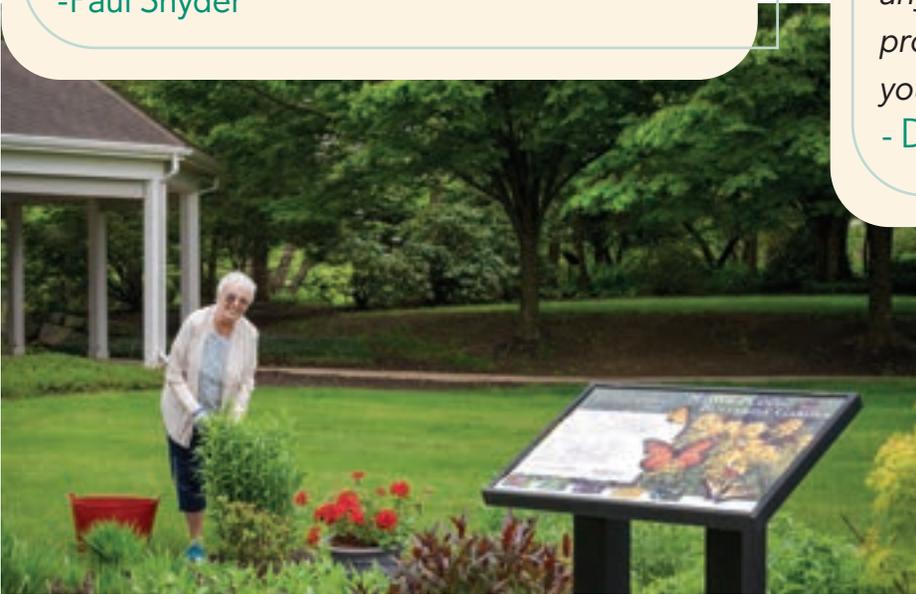

*"There is a café, restaurant, pool exercise areas, a chapel, and a walking trail. The grounds are very impressive. Lots of trees, shrubbery, and flowers. If you live in the cottages, you can plant flowers and have a small garden. Whatever you may be interested in doing you will find it here. If not, just ask and it may come to fruition!" - Dawn Libby*

*"My mother is happy to be a RiverWoods resident...she shares 'they keep us busy with activities, I look forward to dinner, this is a nice place and I am doing well here.' As her child, it doesn't get any better than that!" -Paul Snyder*

*"It's liberating to have the freedom to pick up and go and not worry about anything, and I love the exercise programs here. Make the move while you're young enough to enjoy it!" - Diane Reed*
