"We [moved] over a year ago and couldn't be happier about our decision. Our apartment is beautiful, the community (neighbors and staff) is friendly and welcoming, the food and service in the dining room and café is very good. We enjoy the pool and activities and watching the grass being mowed and snow being plowed and are grateful that we don't have to worry about it!" - Mary Goss

"This year I will be living here for 6 years. When my husband and I moved here, my mother had been living here 10 years. My husband died after we moved in...I could have moved but I felt safe here. I met my current husband, Dave, at Normandie Ridge. We got married 4 years ago. This is a wonderful place to live, and the staff is the best. Come check us out!" - Natalie Ensminger

"Moving here was a very good decision. I have been here 9 years and have found it a time for mental and spiritual growth...my needs are anticipated and I love my apartment." -Elizabeth Petrick

"...a friendly, welcoming environment, with plenty of opportunities to stay active and meet new people and make new friends. I love the peaceful, quiet, and lovely natural surroundings. What is especially appreciated is the care shown and given by staff."

"So happy I made the decision to move to Normandie Ridge! I wanted a plan for my future, and I did not want the responsibility of caring for a home. Living at Normandie Ridge gives me all the independence I want without all of the responsibility. It's a really great place to enjoy your senior years with lots of events, clubs, and classes. You can do as many or as few as you want. I'm happy I made the decision to move to Normandie Ridge!"

- Linda Ludwig

"...for us moving in as young as we have makes me look at the fact that as we grow and we get older we will have a foundation of friends and connections with other people for years that you just can't other places!"

- Terry Guiler

"Normandie Ridge checked all the boxes and offered a one-stop shop for many reasons: an apartment size that allowed me to add my own design touches, an attractive campus and social life, and the value for price seemed reasonable...I feel a part of a community here, and I also know that it gives my children peace of mind in knowing that I am happy and independent."

- Beverly Kling

"From the moment you meet the staff, to the time that you visit with a resident, you are made to feel welcomed, cared for and valued. The facilities are top-notch. Those whom I know that live at Normandie Ridge feel loved; enjoy the many activities; appreciate the upkeep and care of the facilities; and know that they are valued members of the community."
