

Welcome Packet and Frequently Asked Questions for Residents and Family

Welcome

Dear New Resident,

Welcome to the Wilson Health Care Center at Asbury Methodist Village!

We are pleased that you have chosen our community for your recovery. Wilson Health Care Center is proud to be a *U.S. News & World Report* 2024 Best Nursing Home for Short-Term Rehabilitation and a *Newsweek* 2024 America’s Best Nursing Home. We also are extremely proud that 95 percent of family members would recommend Wilson for care, according to the 2021 Maryland Nursing Home and Family Experience of Care Survey.

Your preferences and your comfort are important to us; we will work with you to deliver person-centered services that make you feel as ‘at-home’ as possible. Here is some information that we hope you will find helpful:

Frequently Asked Questions

Welcome Meeting: A brief meeting will be scheduled for you and your primary contact to be introduced to your care team within 72 hours of admission.

Visiting Hours: Visitors are always welcome! Upon your arrival, please complete the required Covid-19 screening, sign in at the front desk, and obtain a visitor badge. Masks may be required for COVID-19 safety while in common areas (lounges, dining rooms, activity spaces, etc.) If your loved one requires other precautions, we ask that you please follow instructions posted on the door, and wear appropriate protective equipment provided by the facility (such as a gown, gloves, mask, etc.)

Dining Room: You will be given a menu prior to each meal to select your food. You may also select a weekly menu to choose meals in advance.

- » Breakfast: 8:00AM — 9:00AM
- » Lunch: 12:00PM – 1:00PM
- » Dinner: 5:00PM – 6:00PM

Programs: We offer a wide range of programs and activities addressing all components of wellness designed by our therapeutic recreation team. Activities may be limited to one-to-one interactions and outdoor gatherings as required for COVID-19 safety.

Appointments: On occasion, follow-up medical appointments with outside providers are needed. Please notify your nurse manager of any scheduled appointment dates/times so that your care can be coordinated accordingly. Please reach out to the Unit Clerk if you need assistance scheduling medical appointments. While Wilson Health Care Center can help coordinate private duty services to accompany you to your appointment, or transportation, please note that these costs are not covered by insurance, and require private payment.

Transportation: Please reach out to the Unit Clerk for assistance scheduling transportation to/from appointments. You may elect to use the transport service of your choice. Please note that transportation costs are not typically covered by Medicare or other insurances, and prices may vary based on the vendor you select.

Social Services: The social work department will work with you and your loved one to set up a care plan meeting to discuss progression of your stay and help coordinate plans for discharge including initiation of home health services (PT, OT, ST and nursing at home) as well as ordering needed medical equipment.

Rehabilitation: Physical, occupational, and speech therapies are provided with a doctor's order.

Laundry Services: Laundry services are provided twice per week at no charge. If you prefer to do your own laundry, please notify the housekeeping department.

Leaving the neighborhood: Your safety is very important. Please notify your nurse before leaving the neighborhood.

Telephone: Provided at no cost for all residents.

Television: Provided at no cost for short-term stay residents.

COVID-19: Please enroll in our Family e-mail updates at [AsburyMethodistVillage.org/Events&Resources/Family & Friends](https://AsburyMethodistVillage.org/Events&Resources/Family%20Friends). Click the Sign Up for Family Email Updates link.

- We follow CDC recommendations and CMS regulations to mitigate infections, including COVID-19. Based on current regional transmission rates, positive cases at our community and your possible exposure status, you may be required to take additional precautions, such as testing or masking or quarantining. Based on these factors, our team will review necessary requirements with you upon admission.
- Wilson Health Care Center works with our regional health care providers and pharmacies to offer the latest Covid-19 treatments as available and indicated. We utilize heightened infection control and cleaning processes, and wear the appropriate personal protective equipment to mitigate the spread of all infections, including Covid-19.
